New Milford 06776

January upcoming Meetings—all Via ZOOM

Tuesday, January 11 - Ridgefield VNA

Tuesday, January 18 - Club Business

Tuesday, January 25 - TBD

Weekly Meetings: A decision was made to have our weekly meetings via zoom for the 1st quarter of 2022. With the increase in Covid cases, safety among our members is most important. We are going to look into possibly having one meeting, a month outdoors, doing something fun. We all know that in person is the best way to communicate and stay engaged, but we want to make sure we are making health safety choices as well.

Membership Dues: We will be starting membership dues for January 1, 2022. We have dues that have to be paid to the district and to Rotary International. Ralph will be sending the invoices. Dues are \$165 per quarter.

The board would like to focus on 4 committee goals to be accomplished for the 1st quarter of 2022

1. **Club Membership**
2. **Community & Volunteer activities**
3. **Duck Race**
4. **Shred Day**

We would like everyone to participate in at least one of the committees. Deb will be reaching out to some members individually to get the committees started.

We were told that The Village Fair Days will be scheduled for this year. Keep this in mind as we will need a committee for this event. My thoughts for next year will be getting back to the past days of just the Fried Dough.. booth.

Rotary's Four-Way Test

1. **Is it the TRUTH?**
2. **Is it FAIR to all concerned?**
3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**
4. **Will it be BENEFICIAL to all concerned?**
