Community Service Awards

We presented awards to hard working members of the community in April: Susan and Tom Fisher for their dedicated work at the Homeless Shelter and Monty Robson, who fathered the John J. McCarthy Observatory at New Milford High School. They were recognized at lunch, Tuesday April 3, at the Holiday. The recipients were presented with their awards, and had a donation of \$100 made to their favorite charity. Their names will be permanently displayed on our plaque at New Milford Town Hall. Thanks to all who came out to help us honor these heroes of our community! See page 3 for recipients of our annual award, since 1995.

Student of the Month— April

Rob and Science Teacher, Karen Terhaar presented and congratulated Stephanie Spencer, as our April Student of the Month. Her parents, Earl and Annake (right), joined in the celebration. Stephanie is 17th in her class, with a GPA of 3.62, has been a member of the National Honor Society Honor Roll all semesters, is a member of the Varsity swim team, and a member of the math team. She is a member of Girl Scout Troop 202, and volunteers for the Relay for Life Cancer Research fundraiser, and the New Milford Annual Road Race. She is an intern at New Milford Animal Hospital, under the tutelage of Dr. Rob Belden, and plans a career in Veterinarian medicine.

Fran Wiatr, former Chairman of NewMil Bank was our guest May 1, to give us a history of that bank, fill us in on the recent merger with Webster Bank, and the merger's impact on the community and the employees.

Programs

Nancy Whitfield (above) from Healing the Children, and Director Dana Buffin (below—operating the slide program), visited us to bring us up to date on the great works of that organization. We have been supporting Healing the Children since its beginning.
